**Learn more about 2011-2012 SCHOOLS programming
on our website <http://scahec.net/schools>**

What is SCHOOLS?

SCHOOLS is a collaboration between the South Carolina AHEC system and their partners to provide educational programs for healthcare providers, to facilitate the delivery of curricula by on-campus faculty to students participating in off-campus clinical rotations, and to provide technology to support the development and implementation of collaborative research initiatives across the state.

Where Can I Access SCHOOLS?

SCHOOLS works with over 25 rural hospitals across the state.

How to Access SCHOOLS?

Register today at:

<http://scahec.net/schoolsprofile>

You can also view a library of recorded programs at:
