

Health Disparities and COVID-19

Caring for the Underserved

A part of the Rural Health Equity Series

Program Description:

Participants will gain a better insight into health disparities, COVID-19 and how to care the under-served community.

Learning Outcome: At least 80% of participants will implement strategies to decrease health disparity rates and increase knowledge of COVID-19 in rural South Carolina communities.

Learning Objectives:

At the conclusion of this program, participants will be able to –

- Discuss health complications of COVID-19.
- Recognize populations at increased risk for COVID-19 related healthcare disparities.
- Implement strategies to facilitate equitable care for at-risk populations.

AHEC: This program is approved for 0.3 CEUs (3.0 clock hours) by Upstate AHEC and meets SC AHEC Continuing Education Best Practice Standards.

Counselors and Therapists: This program is approved for 3.0 hours of continuing education by SC AHEC under its accreditation by the SC Board of Examiners for Licensure of Professional Counselors, Marriage and Family Therapists and Psycho-Educational Specialists.

Social Workers: Upstate AHEC, as part of the SC AHEC System, is an approved provider of continuing education for social workers. This social work program is approved for 3.0 hours of non-social work credit.

Successful completion of the program requires attendance for 90 percent of the program and a completed online evaluation by the participant within 10 calendar days of the program date. A certificate of completion will not be made available to you if the evaluation is not completed within this timeframe. No partial credit available.

Pam Collins, MSN, CMSRN, NPD-BC

Pam has more than 40 years of varied nursing experience that includes administration/management, education, and work as an education and legal consultant. While Pam currently works as an Independent Consultant, she also works for a large healthcare system in Charlotte, NC. Pam is dually certified in medical-surgical nursing from the American Nurses Credentialing Center and the Academy of Medical-Surgical Nurses and is also certified in Nursing Professional Development. Pam has extensive experience in leadership, education, and the legal aspects of nursing practice.

Pam's accomplishments include published author of articles, textbook chapters, and most recently, a medical-surgical nursing certification review book. She speaks nationally on clinical, leadership, and legal topics for healthcare professionals. Pam has been the recipient of various awards, served as a flight nurse in the United States Air Force Reserve, and is active in her church and community, with a heart for homeless individuals.
