

SCHOOLS Presents...

ALL ABOUT SKIN APRN MONTHLY MEETING

February 17, 2015 • 6:30-8:30pm

Goal/Purpose:

The focus of February's monthly APRN meeting will be on commonly encountered patient concerns surrounding the skin. Melanoma and non-Melanoma cases will be compared. Risk factors and pathogenesis of Melanoma will be reviewed as well as the treatment modalities for various lesions.

Objectives:

At the completion of this session you should be better able to:

- Discuss neuro-modulators: Botulinum toxin Type A.
- Differentiate Melanoma and Non-melanoma lesions.
- Discuss selected case studies related to topics.

Instructors:

Carla Graham, MD, Carolina Facial Plastic Surgery

How to Participate?

This program is being broadcast over the SCHOOLS network of videoconferencing systems across South Carolina. Participants will be able to fully interact with the speaker during this presentation including time for Q&A.

1. Hospitals and AHECs indicate their participation at www.scahec.net/schoolsmanager
2. Individuals locate a participating location (see next page) where you can view the session and register online at www.scahec.net/schoolsregistration
3. There is a \$35 fee for Consortium Members, a \$45 fee for Non-Consortium Members, and a \$10 student fee
4. Continuing Education Credits: Upon successful completion of this program, Nurses and all other participants will receive credit.

This program will be held in Polycom Room Number 803-555-1199.
