

APRN MONTHLY MEETING: PRIMARY CARE NEW DRUG UPDATE PART ONE

January 19, 2016 • 6:30-8:30pm

Goal/Purpose:

“A Primary Care New Drug Update-Part One” is the focus for the January APRN Monthly Meeting presented by Kelly Jones, Pharm.D., BCPS. This is the first of a two-part primary care drug update. Part two will be conducted at the APRN Monthly meeting on March 15, 2016. Safety, simplicity, tolerability, efficacy of new medications including diabetic and SL immunotherapy will be discussed during this session. Additional drugs to include antibiotics and inhalers will be addressed during the second segment at the March 15 APRN montly meeting. New formulations introduced to the market including a pricing discussion will also be presented by Kelly Jones, Pharm.D. Both programs will provide Pharmacotherapy hours for APRNs with prescriptive privileges.

Objectives:

At the completion of this session you should be better able to:

- Discuss the safety of new medications introduced into the market.
- Discuss the tolerability of new medications introduced in the market.
- Discuss the efficacy of new medications introduced in to the market.
- Discuss the price and simplicity of new medications introduced into the market.
- Discuss new formulation introduced into the market.

Instructor:

Kelly Jones, Pharm.D., BCPS

Associate Professor of Family Medicine, McLeod Regional Medical Center

Credit Statements

Nurses:

Pee Dee Area Health Education Center is an approved provider of continuing nursing education by the South Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

This nursing continuing education activity awards 2.0 contact hours, (2.0 pharmacotherapy hours to APRNs with prescriptive authority) upon successful completion.

CE approval refers only to CE activities and does not imply SCNA or Pee Dee AHEC endorsement of any commercial product.

All Participants:

This program is approved for .2 CEU's (2.0 clock hours) by Pee Dee AHEC and meets South Carolina AHEC Best Practice Standards.

Participants must attend 90% of the program and complete an evaluation in order to receive a certificate of attendance. No partial credit will be given.
