

# RECOGNIZING EARLY SIGNS OF AUTISM

**April 26, 2012 • 3:00 – 4:00pm**

This SCHOOLS program will be presented by Dr. Anne Kinsman, PhD. This program will provide skills in screening and identifying early signs of autism in your children. At the completion of this activity, participants will be able to:

- Discuss the diagnostic criteria for autism.
- Explain autism screening measures in young children.
- Identify the early signs of a possible autism spectrum disorder.

## How to Participate?

This program is being broadcast over the SCHOOLS network of videoconferencing systems across South Carolina. Participants will be able to fully interact with Dr. Kinsman during this presentation including time for Q&A.

1. Hospitals and AHECs indicate their participation at [www.scahec.net/schoolsmanager](http://www.scahec.net/schoolsmanager)
2. Individuals locate a participating location (see next page) where you can view the session.
3. Individuals register at [www.scahec.net/schoolsregistration](http://www.scahec.net/schoolsregistration)
4. Attend this FREE session at an available hospital location.
5. Continuing Education Credits:
  - Upon successful completion of this program, Nurses, Counselors and Therapists, Social Workers, and other participants will receive credit contact hours.

***This program will be held in Polycom Room Number 803-555-1199.***
