

## **Upcoming SCHOOLS Program**

# Comprehensive Strategy to Reduce VAE: A Team-Based Approach

November 29, 2017 | 2:00pm-3:00pm

### **Description:**

This is a comprehensive lecture series that explores evidence based practices regarding the critically ill. What has been made evident in the literature is not always translated into bedside decision-making. The intention of this series is to provide the bedside clinician with knowledge and concepts of evidence based practices that empowers them to make informed, patient-centered decisions.

### **Learning Outcomes:**

At the completion of this session, the participant will be able to:

- Discuss team-based strategies to reduce Ventilator-Assisted Events (VAE).

### **Instructor:**

Jared Blevins BSRC, RRT-ACCS

### **Credits Available:**

Licensed Nurses, Respiratory  
Care Practitioners, and Others

### **Price:**

Consortium Member \$0;  
Non-Consortium \$25;  
Students \$0

Register online at:
