

Upcoming Webinar

Wellness and Exercise in Individuals with Disabilities

February 20, 2019 | 9:00am-10:00am

Description:

This program is offered through a partnership with LEND to identify misconceptions about the goals of wellness from Healthy People 2010. A working definition of wellness will be discussed, as well as information about physical activity and how to engage children and children with disabilities to increase physical activity.

Learning Outcomes:

At the completion of this session, the participant will be able to:

- Incorporate the goals of the Healthy People initiative into their health care practice
- Explain the benefits of exercise and wellness to patients and caregivers
- Identify at least two physical activities for children with disabilities for wellness

Instructor:

Jennifer Pitassi PT, PCS

Credits Available:

Physicians, Nurses, and other participants

Price:

Free to attend
