## About the Program

Prisma Health Greer Family Medicine Residency Program is a new 6-6-6 ACGME accredited program in Greer, SC. We are currently recruiting our second class. Our goal is to train competent, caring, community

oriented family physicians. Inpatient training occurs at Prisma Health Greer Memorial Hospital, an 82-bed community hospital. Outpatient training occurs in our brand-new Family Medicine Residency Clinic and other Prisma Health practices.

## Key Highlights

- Community-based program in a high-functioning, future-oriented training environment
- Excellent resident-to-faculty ratio
- FM Residency Clinic is in a new a 35,000 square foot state-of-the art facility, which it is the house for three new residency programs: Family Medicine, Neurology, and Psychiatry. The new facility includes conference rooms, dedicated resident workspace, resident on-call suites, lactation room, and a breakroom.
- The FM Residency Clinic includes 24 exam rooms, 2 procedure rooms, a point-of-care lab, access to onsite X-ray services, and outpatient support staff focus on helping residents deliver high-quality care to their patients.
- Greer Memorial Hospital includes medicine/surgical unit, The Family Birthplace with dedicated labor & delivery rooms, a newborn nursery, Emergency Department and much more
- Robust didactic half-day sessions
- Simulation Center sessions
- Resident wellness and support activities
- Community Outreach
