

South Carolina Family Medicine Residency Programs

Prisma Health / UofSC SOM Greenville Seneca Family Medicine Residency Program

www.prismahealth.org

About the Program

We are a rural unopposed 6-6-6 family medicine residency program located in the Golden Corner of Upstate South Carolina. We are difference makers, dedicated to the training of competent, compassionate, future-oriented family medicine physicians prepared to engage in sustainable, full-spectrum, rural family medicine. Our core values consist of innovation, family (love, laughter, support, vulnerability, community), integrity, courage, humility, excellence, and passion.

Key Highlights

- Full spectrum rural unopposed
- Longitudinal curriculum: Clinic First Model
- Point of Care Ultrasound programming
- Training in surgical obstetrics
- Addiction Medicine
- Integrated mental health and primary care
