Answering Your Questions on Venous Thromboembolism (VTE)

May 2, 2017 • 6:30 - 7:30pm

Program Description

Answering Your Questions on VTE has been developed as part of the work of the The Evolution of Anticoagulation Management (TEAM) (www.TEAManticoag.com) a strategic, multi-institution educational initiative that is designed to reduce stroke and other complications associated with thrombus formation through effective continuing education that results in optimal anticoagulation management.

Learning Outcome(s):

Upon completion of this activity, participants should be better able to:

- Define the short-term and long-term goals of anticoagulation for VTE.
- Determine the optimal length of therapy based on clinical factors.
- Manage anticoagulation around medical procedures and special situations.

Instructor:

Jamie W. Craig, PharmD, BCOP, Clinical Pharmacy Practitioner
