

Preceptor Orientation & Education

Training Students in South Carolina

Supporting Student Training

As a preceptor, you are integral to student learning. Developed by the MUSC College of Nursing and hosted by South Carolina AHEC, this free online resource covers:

- Preceptor Roles and Responsibilities
- Adult Learning Basics
- Evidence-Based Practice
- Time Management
- Communication and Feedback
- Interprofessional Practice

Register online at
www.scahec.net/learn/PreceptorToolkit

Development of these modules was partially funded through the HRSA Advanced Nurse Education Workforce Grant T94HP30872 awarded to the MUSC College of Nursing.
