

# Rashes in Skin of Color

AHEC Learning Portal

Now thru January 11, 2025

[Click here to register!](#)

---

## **Learning Outcome:**

Eighty percent of participants will gain knowledge on the biological differences between light and dark skin, recognize differing appearances of common skin conditions when present in skin of color, and increase their awareness of common concerns that may be unique to patients with skin of color.

---

## **Description:**

This program will help the school nurse to be able to properly assess rashes in school-aged children with skin of color.

---

## **Speaker:**

Colleen Cotton, MD

---

## **Objectives:**

- Discuss rashes in skin of color.

---

## **Continuing Education Credit:**

**Nurses:** This nursing continuing education activity awards 1.1 contact hours upon successful completion.

Lowcountry AHEC is approved with distinction as a provider of nursing continuing professional development by the South Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

**All Participants:** This program provides 1.1 clock hours (0.11 CEUs) by Lowcountry AHEC and meets SC AHEC Continuing Education Best Practice Standards.

---

**Fees:**
