

Summer Book Club 2021

Black Fatigue

How Racism
Erodes the Mind,
Body, and Spirit

Join our virtual summer book club!

Join us for a discussion of this thought-provoking book, which explores the impact of systemic racism on the health of Black people. This webinar series consists of 2 facilitated discussions and will conclude with an interactive workshop with the author, Mary-Frances Winters.

Participate virtually from your computer, tablet or mobile device. Participation is free but registration is required.
