

Summer Book Club 2023

Think Again

The Power of Knowing What You Don't Know

How do you stay curious and make an impact on our world? What positive outcomes come from mental flexibility and knowing what you don't know? Join us for a discussion of this thought-provoking book by Adam Grant, which explores practical strategies we can use to promote individual, interpersonal and collective rethinking.

This year's book club series consists of three facilitated discussion via webinar. Participate virtually from your computer, tablet or mobile device. Participation is free but registration is required.
