

SEMINAR SERIES

INSTITUTE FOR PRIMARY CARE

-NOW FULLY VIRTUAL-

Join the dialogue about the future of primary care! What should healthcare look like in the future? Put what you've learned into practice with this series of online seminars featuring case-based learning, guest speakers, and chances to interact with interprofessional groups of health professions students and providers from across the state.

- **Online**
- **Monthly**
- **Free**
- **Open to all graduate health professions students**

AHEC Scholars credit available.

All students who attend 5 or more seminars will receive a recognition certificate.

Taking place monthly during the academic year via WebEx.
