

ADHD: A Need for Family Focused Treatment

PURPOSE

The American Academy of pediatrics and American Academy of Children and Adolescent Psychiatry encourages a parenting focus when working with youth. This course was developed to help fellow clinicians grow their knowledge base on ADHD, the reasons for a family-based approach and guide them on strategies to help incorporate families into the clinical space.

DATE

Friday, November 8, 2024

TIME

8:00am - 12:00pm

LOCATION

Webinar

OBJECTIVES

Upon completion of this program, the participant should be able to:

1. Review ADHD.
2. Discuss reasons for needing a family-based approach to therapy.
3. Identify options for options for assessing skills
4. Explore strategies for building executive functioning skills along with family relationships in effort to improve functioning skills.

CREDIT

AHEC: This program is approved for 0.4 CEU's (4.0 clock hours) by Pee Dee AHEC and meets SC AHEC Best Practice Standards. Participants must attend 90% of the program in order to receive a certificate of attendance. No partial credit will be given.

INSTRUCTOR

Riena Kain, LISW-CP, LSCSW, ADHD-CCSP

Riena is a graduate of Upper Iowa University with her dual major bachelor's in psychology and human services. She has master's degree in Social Work from Washburn University. Riena is a LISW-CP here in South Carolina and a LSCSW in Kansas. Riena also holds an ADHD- Certified Clinical Services Provider title. She is a wife and mother who loves to travel, be in nature and spend time with her dogs. She also loves a good book. Riena has over a decade of experience in working with at risk youth and adolescents. Her experience spans from child welfare social work, school-based therapy, and private practice. It is her hope to share her passion for ADHD with you today as we work toward growing our competency on a complex diagnosis.
