Building and Supporting the Healthcare Workforce South Carolina Needs

## DESCRIPTION

Early transitional care affects the immediate health as well as the long-term outcome of the infant. The S.T.A.B.L.E. Program content is critical in the effort to reduce infant mortality and morbidity and is intended for use by all members of the healthcare team. The March of Dimes and the American Academy of Pediatrics endorse the S.T.A.B.L.E. Program.

## OBJECTIVES

Upon completion of this program, the participant should be able to:

1. Discuss issues of patient safety and error reduction in the delivery of healthcare to infants.
2. Identify the S.T.A.B.L.E. mnemonic to assist with retention and recall of stabilization activities that are critical for post-resuscitation and pre-transport care of sick infants.

## TARGET AUDIENCE

Nurses, Respiratory Therapists, and any other interested healthcare professionals

## INSTRUCTOR

**Laura Robertson, BSN, RNC, CLC**

**Neonatal Outreach Educator**

**McLeod Regional Medical Center**

## CREDIT

**AHEC:** This program is approved for 0.8 CEU's (8.0 clock hours) by Pee Dee AHEC and meets SC AHEC Best Practice standards. Participants must attend 90% of the program and complete an evaluation in order to receive a certificate of attendance. No partial credit will be given.

**Nursing:** Pee Dee Area Health Education Center is approved as a provider of nursing professional development by South Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

This nursing professional development program awards 8.0 contact hours upon successful completion.

**Respiratory Therapists:** This program is approved for 8.0 hours of continuing education. Pee Dee AHEC is an approved provider of continuing education for Respiratory Therapy Care Practitioners by the South Carolina Board of Medical Examiners.
