

Ethics: Revamped, Revived, and Energized

DESCRIPTION

This experiential training takes a unique approach to learning about and discussing ethical principles. Just because it's a required training for many of our professions doesn't mean it can't be fun! Real life scenarios will be elicited from participants, we'll draw upon current events, use movies, role plays and a variety of fun and entertaining experiential activities to put a whole new spin on this topic. This is not a sit back and relax style of training. Come prepared for an exciting experience! We will discuss present day ethical challenges and participants will walk away with new perspectives and applicable strategies.

OBJECTIVES

Upon completion of this program, the participant should be able to:

1. Develop critical thinking skills to aid in recognizing ethical dilemmas.
2. Discuss how professional and personal lives unavoidably blend particularly in today's age of social media..
3. Experience ethical situations from alternate perspectives.
4. Learn strategies to utilize when, not if, ethical dilemmas impact your work.

TARGET AUDIENCE

Counselors, Therapists, Mental Health Professionals, Social Workers, and any other interested healthcare professionals.
