

# 2ND ANNUAL BRIGHTER DAYS CONFERENCE Brighter Days Ahead

The 2nd Annual Brighter Days Conference theme for this year's conference is **Brighter Days Ahead** with a focus on Brain Health and will be held at the Florence Center. This year's conference will continue the focus on bringing community together around the issues of mental illness and suicide. This year's conference will feature Dr Daniel Amen as our on-site keynote speaker with breakout sessions providing updates in the tracks for our target audiences of Healthcare/Counseling, Education/Churches, Law Enforcement/First Responders, and a new track for Parents/Families.

The conference is provided by The Jonathan Foundation in collaboration with the Department of Public Health, Pee Dee Mental Health, and Pee Dee AHEC, with MUSC Health as our Presenting Sponsor.

**Join us for a one-day seminar empowering our communities:  
Together, We Can Make a Difference!**
