

# CRITICAL CARE CERTIFIED NURSE REVIEW COURSE (CCRN)

## COURSE DESCRIPTION

This two-day course provides critical care nurses with a review of the core curriculum needed to master the Critical Care Registered Nurse certification. Using the American Association of Critical Care Nurses' certification blueprint, the review will focus on pathophysiology and nursing intervention for critically ill patients.

## OBJECTIVES

Upon completion of this program, the participant should be able to:

1. Discuss preparation for the exam.
2. Describe cardiovascular system guidelines as defined by American Association for Critical Care Nurses (AACN) Critical Care Nursing Certification (CCRN) templates.
3. Explain hematology guidelines as defined by AACN-CCRN.
4. Outline endocrine system guidelines as defined by AACN-CCRN templates.
5. Discuss gastrointestinal (GI) system guidelines as defined by AACN-CCRN.
6. Explain pulmonary system guidelines as defined by AACN-CCRN templates.
7. Explain synergy in patient care.
8. Describe renal system guidelines as defined by AACN-CCRN templates.
9. Discuss patient behavioral as well as psychosocial needs.
10. Identify neurology system guidelines as defined by AACN-CCRN templates.
11. Explain multi system organ failure concerns as defined by AACN-CCRN templates.

or scan the QR Code.

For questions regarding the group rate, contact Pee Dee AHEC at 843-777-5347.

**WEDNESDAY & THURSDAY,  
OCTOBER 8 & 9, 2025**

**8:30am - 4:30pm**

McLeod Regional Medical Center  
Pavilion First Floor Conference Room  
801 E. Cheves Street Florence, SC 29506

## Cameron Mitchum, MSN, RN-BC, CCRN-K

Cameron Mitchum received her Master of Science in Nursing with a subspecialty in Critical Care from the Medical University of South Carolina's College of Nursing in 1995. She was employed at the Medical University of South Carolina Hospital Authority for more than 32 years in various roles, such as nursing professional development specialist, critical care educator, acute care educator, case manager and hospital supervisor.

Cameron has presented critical care and nursing professional development topics in-person throughout the United States and Canada for more than 20 years as well as webinars which have been broadcast internationally.

She has been published in The American Journal of Critical Care, Gastroenterology Nursing, and Trendline. She is a past-editor reviewer for the American Association of Critical Care Nursing's Procedure Manual and is the author of the nursing quick guide reference, Objectives and Outcomes, now in its second printing.

She is a member of the Association for Nursing Professional Development, the American Nurses' Association, and the Association of Critical Care Nurses.
