Pulmonary Management in the Potential Organ Donor

Thursday, July 9, 2026
9:00am - 10:00am
via Webex

This course provides an in-depth overview of the identification, evaluation, management, and procurement process of the potential organ donor. Designed for healthcare professionals, critical care staff, and respiratory therapists. This course examines the multidisciplinary approach required to optimize donor lung viability and improve transplant outcomes.

CREDIT

Respiratory Therapist: This program is approved for 1.0 hour of continuing education. Pee Dee AHEC is an approved provider of continuing education for Respiratory Care Practitioners.
