

COMPOUNDING 2016: WHAT'S NEW, WHAT'S NOT

June 1, 2016 • 5:00 p.m.-7:00 p.m.

Learning Outcome:

This SCHOOLS presentation is brought to you in partnership with the SC College of Pharmacy to discuss how compounding plays an important role in providing patient and pharmaceutical care in the US healthcare system.

Outcomes:

At the completion of this session you should be better able to:

- List requirements of current USP Chapter <797>, the newly published Chapter <800>, and sections of USP Chapter <795> relevant to institutional practice.
- Review implementation timelines from regulatory agencies for enforcement of new or proposed requirements from USP or FDA.
- Review hazardous drug handling, storage, administration and disposal laws and best practices from USP <800>.
- Compare current state and federal law vs current guidelines vs best practice regarding sterile, nonsterile, and hazardous compounding.
- Describe tools and methods to drive compliance with safety and legal requirements in sterile, nonsterile and hazardous compounding.
- Discuss examples of sterile compounding errors or contamination.

Instructor:

Carole Small Russell, RPh, MHSA - Compounding Pharmacist & Instructor, MUSC; Master Instructor, Kennedy Pharmacy Innovation Center, SCCP, Columbia; and Adjunct Instructor; Trident Technical College

Disclosure Statement

In accordance with the ACCME Essentials and Standards, anyone involved in planning or presenting at this educational activity is required to disclose any relevant financial relationships with commercial interests in the healthcare industry. This information will be provided to the audience prior to the start of this CME activity.

Speakers who incorporate information about off-label or investigational use of drugs or devices are asked to disclose that information at the beginning of their presentation.

Credit Statement

The South Carolina College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of Continuing Pharmacy Education. This program is accredited for 2 live contact hours (0.2 CEUs) for pharmacists and pharmacy technicians. (ACPE# 0062-9999-16-067-L03-P and ACPE#0062-9999-16-067-L03-T) Initial release date: April 6, 2016.

To claim credit, participants must attend entire session, successfully complete the pre-and post-test and complete the on-line evaluation within 30 days of the live event. Participants must provide their NABP e-profile and day/month of birth to allow reporting to the CPE monitor. Statements of credit may be printed from the CPE monitor if desired. No partial credit will be awarded. This is a knowledge based learning activity.

This activity is jointly provided by South Carolina AHEC, The South Carolina College of Pharmacy and the Kennedy Pharmacy Innovation Center.

All Participants: This program is approved for 0.2 CEUs (2.0 clock hour) and meets SC AHEC Best Practice Standards.

Participants must attend 90% of the program and complete an evaluation in order to receive a certificate of attendance. No partial credit will be given.

Refund/Substitutions Policy: Video Programs - No refunds available. Live Programs - If you are unable to attend a live program, please cancel through the online SCHOOLS Registration system. To do this, login to your SCHOOLS account and use the Cancel option in the "My Registrations" area. If you cancel by the cutoff date given on the program listing page, you will receive a refund for your payment amount less any material fee. If a program has a material free, this will be noted on the program listing page. A full refund will be given for any program cancelled by South Carolina AHEC. Substitutions for live programs are permitted with notification (contact the SCHOOLS Coordinator at 843-792-4981).
