Data Sources and Methods

Match data for MUSC, USC SOM Columbia, and USC SOM Greenville were obtained from each school's website. Match data for VCOM-CC were provided by campus leadership. Match results do not include graduates who deferred residency, did not enter the Match, or did not match to a residency program.

Data were cleaned to remove duplicate records; standardize specialty, program name, and location; and add codes for in-state vs. out-of-state, primary care, and federal/military.

Primary care includes family medicine, internal medicine (unless noted as preliminary), medicine-pediatrics, medicine-primary, obstetrics and gynecology, and pediatrics.
